

MILSET Volunteer Award

In memory of Rune Thode Nielsen

Introduction

The MILSET Volunteer Award is presented every odd year to a young volunteer in recognition of their values, passion and commitment in promoting and supporting science and technology education for youth.

This award has been created in memory of Rune Thode Nielsen from Denmark. He was a model STEAM ambassador, dedicated and proudly involved in his mission, handling great responsibility in a professional yet always friendly manner with a positive, optimistic and open-minded attitude.

Criteria

- The nominee must be under 30 years old.
- The nominee must have been actively involved as a volunteer for at least five years with a MILSET member, a MILSET Region, and/or at the global MILSET level.
- The candidature must be prepared and endorsed by the nominee's organisation, Regional Executive Committee or MILSET Executive Committee.

Award

- The recipient receives a certificate and a trophy at the MILSET General Assembly.
- For the 2021 edition, the recipient will receive an online certificate.
- The recipient will be announced on the website.

Challenge given to the Award's recipient

- Develop an initiative to enhance the engagement or experience of young volunteers at the MILSET member, region or global level.

Procedures

- Call for candidatures to all MILSET members, MILSET Regional Offices and MILSET Executive Committee.
- Candidate review and approval of the awardee by MILSET Executive Committee.
