# CONNECTING YOUTH WITH A WORLD OF STEAM POSSIBILITIES

The International Movement for Leisure  
Activities in Science and Technology

## The International Movement for Leisure Activities in Science and Technology

MILSET (Mouvement International pour le Loisir Scientifique et Technique) is a non-governmental, non-profit, and politically independent youth organisation, founded in **1987** in Quebec, Canada. It aims to develop scientific culture among young people through the organisation of STEAM programmes, including **science fairs, science camps, congresses,** and other inspiring and impactful learning experiences.

# Mission

MILSET works at developing opportunities to support its member organisations to engage youth in STEAM through motivation, cooperation, collaboration, networking, and sociocultural interchange.

## How do we make it possible?

Engaging

Stimulating

Connecting

Supporting

Representing

Networking

Motivating  
youth

Creating STEAM  
environments

## Regions

MILSET is divided into six regions to ensure effective global coordination while allowing programmes, events, and member activities to be managed more closely and adapted to the cultural, educational, and organisational realities of each part of the world.

EXPO-SCIENCES

# MILSET Expo-Sciences International

**Is a premier, non-competitive, multicultural exhibition held every odd year, bringing together STEAM projects** created by children and youth from across the globe. It also features interactive showcases from leading STEAM institutions, making it a vibrant platform for discovery, collaboration, and inspiration.

Beyond the exhibition, ESI serves as a unique opportunity for STEAM leaders to connect, exchange best practices, and shape the future of the organisation.

## ESI 2025

Organised by MILSET and the Abu Dhabi Centre for Technical and Vocational Education and Training (ACTVET) and held under the patronage of His Highness Sheikh Mansour bin Zayed Al Nahyan, UAE Vice President, Deputy Prime Minister, and President of the Presidential Court, ESI 2025 was successfully hosted in Abu Dhabi, United Arab Emirates.

The event became a global stage for youth-driven innovation in STEAM, bringing together young talents, educators, and institutions from around the world.

# MILSET REGIONAL EXPO-SCIENCES (ESR)

REGIONAL EXPO

# MILSET REGIONAL EXPO-SCIENCES (ESR)

Fully aligned with the spirit and philosophy of ESI, MILSET Regions host Regional Expo-Sciences every even year, providing member organisations with a vibrant platform to showcase youth STEAM projects, share experiences, and build valuable networks at the regional level.

## What can you experience in ESR?

# YOUNG CITIZENS CONFERENCES (YCC)

## YOUNG CITIZENS CONFERENCES (YCC)

**MILSET YCC** provides a global platform for young people to share their perspectives on the social, ethical, and environmental impact of science and technology.

By bringing together diverse voices, it promotes critical thinking, meaningful dialogue, and the development of sustainable solutions. The programme is held during MILSET International and Regional Expo-Sciences and may also be organised at local, national, or regional levels

### Goals

- Give youth a voice on global issues
- Spark debates shaping their future
- Empower responsibility and action
- Foster participation in a global dialogue

DIGITAL LITERACY | ETHICAL & AI

# YOUTH VOICES GLOBAL IMPACT.

INFORMED YOUTH. RESPONSIBLE FUTURE.

# LEADER CONGRESS (LC)

# LEADER CONGRESS (LC)

The MILSET Leader Congress (LC), held during MILSET International and Regional Expo-Sciences, offers a dynamic platform for MILSET member organisation worldwide to connect and collaborate. Through conferences, workshops, discussion panels, and poster sessions, leaders and youth supervisors can:

## Goals

- Exchange experiences and best practices in STEAM education
- Explore innovative educational trends and high-level content
- Network with peers and potential collaborators
- Share insights, concerns, and proposals on STEAM and education topics

# MILSET STEAM PHOTO CONTEST (SPC)

## MILSET STEAM PHOTO CONTEST (SPC)

The **MILSET STEAM Photo Contest (SPC)** aims at creating a leeway for youth to creatively express what they observe within science, in photos. The contest is open for amateur photographers from all over the world from 13 to 25 years old.

### Goals

- Engages youth around the world.
- Communicates STEAM concepts through arts.
- Celebrate the beauty of science and nature.

MILSTET ALLIES

# MILSET ALLIES

*Investing in Youth.  
Shaping the Future.*

At **MILSET**, we believe that investing in youth is investing in the future. Through our global **STEAM programmes, international Expo-Sciences, leadership initiatives, and innovation-driven activities**, we empower thousands of young people to become future scientists, innovators, entrepreneurs, and responsible global citizens.

By becoming a **MILSET Ally**, your organisation joins a worldwide movement committed to advancing **education, innovation, scientific culture, and sustainable development** across **75+ countries**.

**Why  
Become**

**a MILSET  
Ally?**

# Global Visibility

Position your organisation within one of the world's leading international youth STEAM networks, reaching students, educators, institutions, and communities worldwide.

# Meaningful Social Impact

Support  
the development of  
future innovators and  
changemakers while  
contributing to scientific  
culture, education, and  
youth empowerment.

# International Networking

Build meaningful connections with universities, governments, research institutions, companies, educators, and young talent from around the globe.

# Brand & ESG / CSR Positioning

Demonstrate your commitment to education, sustainability, innovation, diversity, and youth development, strengthening your social responsibility strategy.

# Access to Global Events & Engagement

Participate in international Expo-Sciences, conferences, workshops, leadership forums, and networking opportunities, while engaging directly with future talent and innovators.

## Let's Build the Future Together

MILSET welcomes partnerships with **companies, universities, foundations, institutions, NGOs**, and **international organisations** committed to creating opportunities for future generations.

**Become a MILSET Ally and inspire  
the innovators of tomorrow.**
